

Law Enforcement Careers

This program prepares students to perform technical services involved with planning, organizing, researching, directing and controlling functions and processes related to the provision of Law, Public Safety and Security services. An integrated approach to teaching and learning is provided as students develop interpersonal relations, career development skills and technical knowledge and skills associated with careers in this growing field. Students completing this program will be prepared to participate in teams, solve problems, think critically, and implement effective solutions. The program is designed and delivered as a coherent sequence of experiences using technical instruction, experiential learning, supervised occupational experience.

Douglas High School Currently Offers 3 levels of Law Enforcement Classes. Please see instructor or counselor for placement in upper level classes.

Law Enforcement Careers I (9-10) Yr.

Law Enforcement Careers II (10-11) Yr.

Introduces students to careers in Law, Public Safety, and Security and prepares students to apply academic, employability, and technical knowledge and skills related to common industry standards and practices of Law, Public Safety, and Security.

Law Enforcement Careers III (11-12) Yr.

Law, Public Safety and Security Advanced Applications. This course prepares students to apply advanced academic and technical knowledge and skills in a variety of settings within Law, Public Safety and Security. Students completing this program will be prepared to participate in teams, solve problems, think critically and implement effective solutions. The program is designed and delivered as a coherent sequence of experiences using technical instruction, academic foundations, experiential learning, supervised occupational experience and leadership and personal development through the Career and Technical Student Organization, Skills USA-VICA.
