

Are you interested in a career in the Medical Field? Do you want to be a Nurse, Medical Technician or Physician? Then the Certified Nursing Program is the place for you to start.

**The Certified Nursing Program** is a unique opportunity for students who are interested in getting training and certification in a very high demand field. This program is offered at Cochise College where you will receive college as well as high school credit. All tuition, fees and textbooks are provided to the student that enrolls in this program. Classes are offered in the fall and spring semesters. See your counselor about this extraordinary opportunity for high school students to start their college education while still attending high school and at the same time get certified as a Certified Nursing Assistant.

Prerequisites: Cochise College Placement Test (Limited to 11<sup>th</sup> and 12<sup>th</sup> grade students)
